Congratulations!

Joe Burcin has sent you a High 5!

Your recognition aligns with the following Boomi core value(s): **Play for Each Other**

Joe described the reason for this recognition as: "going above and beyond to help out me and Emily Eccles with an important opportunity!"

"Robert came through for us (Play For Each Other) by listening to two call recordings, guiding us in the appropriate direction, and applauding Emily for her fanatical prospecting. There was a lot of gray area, but we were able to figure it out as a team over multiple Google Meets, internal networking, and tenacity! Thank you, Robert!"

Please note that your current privacy setting is set to public, so this recognition **will** be shared publicly with your Boomi colleagues. If you would like to change your privacy settings, please visit: <https://boomi.to/high5>

Check out who else is getting recognized over in [the High 5 Slack channel](#).
